Adjudicators

Music Classes – John Powell MA(Cantab), ARCM, CertEd

Born in London and educated at the University of Cambridge, John Powell has been involved in music in Manchester for 45 years – initially on the staff at Chetham's and as a member of the BBC Northern Singers, more recently as a freelance conductor, singer and singing teacher. For over 25 years he worked with the National Youth Choir and for the past 11 years he taught singing at the University of York. He has been Musical Director of Totton Singers in Knutsford since 2005 and also conducts choirs in Bolton and Wigan as well as his own chamber group, the John Powell Singers, regularly heard on BBC Radio.

John particularly enjoys preparing singers for special events. Recent major projects have included Walton's Belshazzar's Feast at the Bridgewater Hall, Bernstein's Chichester Psalms at the RNCM and a concert tour of Lithuania. He regularly directs Singing Days and workshops as well as the CSSM chamber choir summer school in Uppingham.

As a singer John has had a long career in radio choirs and performed a wide range of oratorio, from Monteverdi to Tippett. Recitals have been a key part of his work for several decades – including two performances for The Manchester Mid-day Concerts Society.

As an adjudicator for The British and International Federation of Festivals for 20 years he greatly enjoys engaging with performers of varied ages and experience and encouraging them to explore and stretch their music-making. Over the past two years John has had to learn rapidly how to give singing lessons online (and found it a much more creative experience than he expected!) – he is very happy to work with online festivals.

Speech & Drama Classes - Cally Foster LLAM, FSTSD

Since her first appearance in a festival at the age of five Cally has been committed to the festival movement and has pursued a career as a speech and drama specialist.

Cally was the principal of her Buckinghamshire-based drama studio for more than 20 years, combining that role with travelling extensively in the UK, Europe and internationally as an examiner for LAMDA and as an Adjudicator. Cally also delivers workshops on all aspects of communication and performance.

She is an adjudicator member of the British and International Federation of Festivals, a Speech and Drama Representative on the Adjudicators Council, and is a former Chairman of the Society of Teachers of Speech and Drama.

Cally believes performing in festivals not only encourages an appreciation of the Arts but also develops the communication and presentations skills so important in today's world. She is delighted to be returning to the Ryton Festival in 2023 and wishes everyone an enjoyable as well as a positive experience.

Organ Classes - Kris Thomsett BA, ARCO

Kris Thomsett is currently Assistant Director of Music of Newcastle Cathedral and Director of Campus Music at Northumbria University. In his role at the cathedral, Kris is principal organist for all major services and concerts as well as director for both the Cathedral consort and Schola Cantorum. As Director of Campus Music, Kris oversees the University recital series, conducts the university choir and teaches keyboard skills and conducting on the newly established music degree.

Born in Kent, Kris studied at the King's School Rochester, learning the organ with Roger Sayer, before moving on to hold posts in Chelmsford Cathedral, Norwich Cathedral and Salisbury Cathedral before moving to Newcastle in 2015. As a recitalist, Kris has played in many of the cathedrals and greater churches in England including Ripon Cathedral, Westminster Cathedral and St David's Cathedral.

Outside his duties at Newcastle Cathedral, Kris is accompanist for the Ryton Choral Society and conductor of Newcastle University's 'New Vocal Ensemble' as well as a busy freelance accompanist, most recently for a visiting choir at St Paul's Cathedral.

THE BRITISH FEDERATION OF MUSIC FESTIVALS IMPORTANT NOTICE: PHOTOCOPIES

Copies of own choice works for the Adjudicator

The Music Publishers Association has recently issued a revised Code of Practice on copying copyright works, and the following concession is made for copying own choice pieces **from volumes only** for the adjudicator. Other items must not be photocopied without the permission of the copyright holder in each case.

"When an Own Choice work is selected from a publication containing several different works and which is not published separately, one copy may be made for the use of an adjudicator at a competition or festival provided that the competitor or participant has already purchased his/her own copy and that the copy made is retained and destroyed by the Administrator of the Competition or Festival immediately after the event. This permission specifically does not apply to set works".

Performers are advised that this permission applies only to copyright holders who are members of The Music Publishers Association (listed at the back of the Code of Practice leaflet, obtainable from the Association at 103 Kingsway, London WC2B 6QX). It is the competitors' own responsibility to ensure that they seek permission to copy direct from any copyright holder whose name does not appear in the MPA list.

Single copies of items may not be photocopied without the prior permission of the copyright holder. The permission does not apply to making copies for the Accompanist, who should always be given a printed copy from which to work. Photocopies for the adjudicator must be totally legible or they may be refused.

Ryton and District Musical Festival - Child Protection Policy

The British and International federation of Festivals for Music, Dance and Speech work for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or anyone working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safe working practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and safe working practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.

Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create **Safer Festivals** for everyone:

1. A single, definitive Child Protection Policy adopted by all Federation Festivals.
2. One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival. Name: Alison Williams Phone: 0191 4888473
3. Best practice advice in the form of **Safe Working Practice** and **Festival Child Protection leaflets**, with support and training for all Festival staff and volunteers. Including clear reporting procedures for anyone with a concern about a child.
4. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.
5. All Festival personnel wear an identity badge with the Festival logo. All teachers/parents/guardians/carers are asked to report all incidents of any nature to anyone wearing a badge. All reported incidents will be handled in accordance with the **Safe Working Practice** and **Festival Child Protection** best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.
6. For the duration of the Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils/vulnerable adults. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils/vulnerable adults are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues, performance, rehearsal and changing areas that may be provided.
7. No unauthorised photography or video recording is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child/pupil/vulnerable adult is not included in official authorised photos.
8. Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival Secretary prior to arrival. The Festival actively seeks wherever possible to meet these needs, but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.
9. The Festival's Child Protection Policy and approach to Creating Safer Festivals for Everyone is published explicitly in our Syllabus, Programme and on our website. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 (or vulnerable adults of any age) confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.
